3. Lindy McClure Design, SBC is an interior design company. We incorporated on December 3, 2015. Since incorporating we have begun working with clients seeking assistance with home remodel and interior design projects. During the calendar year of 2016, the company donated time to charitable organizations that align with its Benefit Statement. The employees of the company have and will continue to provide volunteer services to such charitable organizations as Higher Ground (a Catholic Charities entity serving homeless men in the Minneapolis area), Africa Jam of Minnesota (a nonprofit organization serving disadvantaged youth in South Africa), and Special Olympics Minnesota. In 2017 we will continue to support these efforts, as well as joining a team of interior designers called Design for Hope, where we donate time and materials to redecorate the home of a family living in difficult financial circumstances. We intend to serve as a model for privately held businesses to raise the bar in giving our time, talents and financial resources. We endeavor to prove that companies, and company stakeholders, can give in a more significant way and prosper as a result.
