3. Iuvo Companies, SBC is a commercial real estate investment and development company. We incorporated on June 9, 2015. Since incorporating we have begun the work of identifying investment/development opportunities. Currently, the company is working on redevelopment projects. The company has donated a portion of its profits to charitable organizations that align with its Benefit Statement. Additionally, the employees of the company have and will continue to provide volunteer services to such charitable organizations. Some of the organizations that the company will support financially and with volunteer efforts include Special Olympics of Minnesota, Higher Ground (a Catholic Charities entity), the Nomi Network and Africa Jam of Minnesota. We intend to serve as a model for privately held businesses to raise the bar in giving both our time, talents and financial resources. We endeavor to prove that companies, and company stakeholders, can give in a more significant way and prosper as a result.
